July - August

A Message from Pastor Kearse

To my Cornerstone Family,

Looking back on the past year of our lives, both personally and spiritually, we have persevered through the uncertainty of a pandemic. Since none of us possessed a pandemic survival kit, we were forced to do the best we could with the information we had at the time.

Prior to Covid 19, no one could have imagined being confined to their homes and churches closing their doors. But that is exactly what happened. A new norm was established.

We are no longer confined to our homes and the church doors are now open. But the uncertainty still resides with us.

During this time, I am strengthened by Proverbs 4:25-26. It reads, *"Let your eyes look directly forward, and your gaze be straight before you. Ponder the path of your feet; then all your ways will be sure."* It is hard to look directly forward when so much is going on around you. It is even harder to focus solely on the path ahead of you. But when we do, we are reminded that God will make straight the path before us.

Times of uncertainty will befall us all. But we must remember who we are and whose we are. We are His! He will always steady the path before us even if we are unsteady.

I look forward to seeing each of your smiling faces at the Stone real soon!

Yours in Christ,

Pas

SUMMER READING!

The Forty-Day Word Fast: A Spiritual Journey to Eliminate Toxic Words From Your Life by Tate Cameron (Available for purchase on Amazon.)

At some point in your Christian walk you may have fasted from food, television, or other things in order to refocus and rekindle your relationship with Christ. Fasting may even be a frequent part of your prayer life. But have you ever fasted from words? The truth is that even if you consider yourself to be a positive person, you still use damaging words that plague your life and rob you of the spiritual growth you desire.

Change your words. Change your life.

The Forty-Day Word Fast focuses on several biblically sound mechanisms to help you change your words and your life. Not only will your vocabulary change, your heart also will be transformed in just forty days. "For out of the abundance of the heart the mouth speaks" (Matt. 12:34 NKJV). With this guaranteed effective form of fasting, you will be challenged to eradicate from your speech all words of...

- Judgment
- Criticism or sarcasm
- Negativity
- Complaining
- Gossip

Safe Families for Children

When a family is in crisis, kids can become vulnerable to neglect and abuse. No family should experience this. Through the Safe Families for Children ministry, volunteer Host Families offer loving care to parents, watching over their children while the parents regain stability.

Here are ways you can help:

- ❖ A Host Family - This is the family that would offer space to a child(ren) for a short-term basis (1 week to 60 days).
- ❖ Becoming a "Family Friend" this means being available to provide specific support via engagement with a family.
- ❖ Offering supply support to the Host Family with activities like a movie 4-pack or pass to a local activity such as miniature golf, etc.
- ❖ By CBC participating in the Safe Families program, it offers the help our Youth Home families might need on an odd weekend or later on when they might face an additional, short-term crisis after they get their family stabilized.

To participate in Safe Families, contact Dawn Squire at 808-232-5153.
