## **How do I find out what's going on at CBC?**

Once a month we issue a publication called the "Hereitis." In this publication you will find information on upcoming experiences and ministry activities. What is an experience? Cornerstone strives to ensure that every event or activity is an Experience with God.

Other ways to stay in the loop:

Website, social media, Sunday announcements, Sunday visual announcements, e-mail, bulletin boards, display racks, flyers and the CornerStore.

## **The CornerStore**

What is The CornerStore? In the CornerStore you can find out information on any ministry activity, experience, register for a class or event, purchase CBC merchandise, or volunteer for an event. Stop by and see us after worship service. We are located at the Pershing Avenue entrance. We are here to serve!

## **Family Life Ministry**
