BLACK HISTORY MOMENTS

Our annual "Black History Moments" will take place each Sunday in February with special guest speakers and presentations.

The national theme for 2023 is "Black Resistance." The theme specifically notes the strengths of African Americans in resisting oppression of various forms throughout history and in the present day.

The Women's Ministry is asking all the ladies to wear hats and gloves on Sunday, February 19 to represent the time when hats and gloves were worn to give honor to God and to show your personal style. Wear your crown proudly on February 19 as the Women's Ministry takes us back to the church of old.
