Youth Ministry Holiday Community Service Project: "The Jared Box"

Begins November 12

To benefit youth ages 5 to 10 at Wellspan York.

The mission of The Jared Box Project is to put smiles on the faces of children in the hospital. A Jared Box is a plastic shoebox filled with small gifts, toys, cards, and games. Jared Boxes are inexpensive and easy to make. The boxes provide a fun, special distraction for young patients. The Jared Box Project is a nonprofit organization started by the children of Our Lady of Victory Catholic School in State College, PA to honor their classmate and friend, Jared. Since the project was started, it has spread to all 50 states and over 425 hospitals. Over 987,000 boxes have been made. More details to follow with a complete list of items needed and how you can help.
